To

The Chief Secretary to the
Government of Mysore
Bangalore.

Sir,

I have the honor to submit that Mr Thammanna, Coffee Planter in Belur, has applied permission for building a Choosafenkhana in the site of the Government Chathram at Belur. The idea of construction of the Government Chathram in this place is abandoned as there is no open space available for carts &c to stand. The question was considered in the Municipal Board and the members have resolved

resolved in a meeting held by them that the vacant site should not be given out for constructing houses but for the construction of a Musafirkhana. The vacant site may yield about Rs 150 even if it is put up to auction

2 —— I beg to submit herewith a plan of the building proposed to be constructed by Mr. Thammaiya. Mr. Thammaiya is a well to do Coffee Planter and a Representative member - also a member of the Local Boards and Municipality of Belur and is in a position to carry out his intention, has given a Muchalika to the effect that he will set apart the buildings for public use. Considering the necessity for such an institution in the place and the offer of Mr. Thammaiya to undertake the construction of the same

at

at his own cost, I request you will be good enough to obtain sanction of Government for making over the vacant site free of cost. —
